

# DH-SD6AL445XA-HNR

4MP 45x Starlight Laser PTZ AI Network Camera

Al series products adopt the most advanced Al technologies, including deep learning algorithms that primarily target people and vehicles, which provides higher flexibility and accuracy for end-users. This enables the Dahua Al series to offer various advanced applications such as Face Recognition, ANPR, Metadata, People Counting, traffic data statistics, etc. The complete lineup of Dahua Al includes network (PTZ) cameras, network video recorders, servers, and more devices. Beyond seeing the world, the power of Al allows devices to perceive the environment and understand the world in a better way.

#### System Overview

Featuring powerful optical zoom and accurate pan/tilt/zoom performance, this camera provides an all-in-one solution for capturing long distance video surveillance for outdoor applications. Together with infrared illumination and Starlight Technology, the camera is the perfect solution for dark, lowlight applications. The series combines a day/night mechanical IR cut filter for the highest image quality in variable lighting conditions during the day, and True WDR for applications with direct sunlight or glare.

#### **Functions**

### **Starlight Technology**

For challenging low-light applications, Dahua's Starlight Ultra-low Light Technology offers best-in-class light sensitivity, capturing color details in low light down to 0.005 lux. The camera uses a set of optical features to balance light throughout the scene, resulting in clear images in dark environments.

#### Video Metadata

Support human, motor vehicle and non-motor vehicle image capture.

#### **Perimeter Protection**

Automatically filtering out false alarms caused by animals, rustling leaves, bright lights, etc. Enables system to act secondary recognition for the targets. Improving alarm accuracy.

- · 1/2.8" 4Megapixel CMOS
- · Powerful 45x optical zoom
- · Starlight technology
- · Max. 25/30 fps@1080P
- · Deep-learning-based auto tracking and perimeter protection
- · Support face detection
- · Support Hi-PoE
- ·SMD
- · IP67

#### **Face Detection**

6 attributes and 8 expressions: Gender, age, glasses, expressions (anger, sadness, disgust, fear, surprise, calm, happiness and confusion), mask, beard; Face matting setting: face, single inch photo; Three snapshot methods: real-time snapshot, priority snapshot, quality priority.

#### **Wide Dynamic Range**

The camera achieves vivid images, even in the most intense contrast lighting conditions, using industry-leading wide dynamic range (WDR) technology. For applications with both bright and low lighting conditions that change quickly, True WDR (120 dB) optimizes both the bright and dark areas of a scene at the same time to provide usable video.

#### **PFA+ Technology**

PFA technology has innovatively introduced new methods of judgment to ensure the accuracy and predictability of the direction of subject distance adjustment. The result is a set of advanced focusing algorithms. PFA ensures clarity of the image throughout the process of zooming and shortens focus time. The realization of PFA technology substantially improves user experience and increases product value.

#### SMD

With Deep-Learning Algorithm, Dahua SMD filters the motion detection alarm triggered by non-concerned target and recognizes human and vehicle effectively, sending alarms when human and vehicles intrude.

#### **Ingress Protection**

IP67; TVS 8000V lightning proof; Surge protection.

## Ultra Series | DH-SD6AL445XA-HNR

Interoperability	ONVIF (Profile S/Profile G); CGI
Streaming Method	Unicast/Multicast
User/Host	19
Edge Storage	FTP; Micro SD card (256G); P2P
Browser	IE7 and later versions Chrome 42 and earlier versions Firefox 52 and earlier versions Safari
Management Software	Smart PSS; DSS; DMSS; Easy4ip; IVSS
Mobile Phone	IOS; Android
Certification	
Certifications	CE: EN62368-1; EN55032; EN61000-3-2; EN61000-3-3; EN55024; EN55035; EN50130-4 FCC: 47 CFR FCC Part15, SubpartB, ClassA; ANSI C63.4: 2014
Port	
RS-485	1 (Baud rate range: 1200 bps–115200 bps)
Audio Input	1
Audio Output	1
Alarm I/O	7/2

Power Supply	DC36V/2.23A; HI-PoE
Power Consumption	Basic: 20W Max.: 36W (IR light and PTZ on at minimum voltage)

## Environment

Operating Temperature	−40°C ~ 70°C (-40°F to 158°F)
Operating Humidity	≤95%
Protection	IP67; TVS 8000V lightning proof; Surge protection

## Structure

Casing	Metal
Dimensions	382 mm × Φ240 mm (15.04" x Φ9.45")
Net Weight	6.8 kg (14.99 lb)
Gross Weight	9.2 kg (20.28 lb)
